

NEW GILLIBRAND REPORT: 200,000 NEW YORKERS TO LOSE UNEMPLOYMENT ASSISTANCE BY END OF THE YEAR

Approximately 800,000 Total New Yorkers Out of Work

Of the approximately 800,000 New Yorkers who are out of work, approximately 200,000 will lose their unemployment assistance by the end of the year if Congress fails to act now, according to data from the New York State Department of Labor. That figure will nearly double by May of 2011 to approximately 400,000 New Yorkers. New York State will also lose more than 40,000 jobs by the end of 2011 as a result of the drop in consumer spending from families cut off from assistance, according to a White House Council of Economic Advisors [report](#).

County Statistics for New York City:

In New York City, more than 360,000 are out of work and more than 95,000 will lose their unemployment assistance by the end of the year.
